PERMIT IS APPROVED SUBJECT TO THE FOLLOWING CONDITIONS:

- 1 Permittee is responsible for the protection of paved surfaces when loading and unloading operations of dumpster. Three-quarter inch (3/4") plywood is required under runners if placed on pavement. Permittee will be held liable for any roadway or sidewalk damage caused by placement of dumpster. Per City Code Section 4-2022.
- 2 No dumpsters will be permitted in the sidewalk area. Only upon special provisions will use of sidewalks be permitted. Under these situations permittee will be required to protect the integrity of the sidewalk and provide temporary ramp to drive onto sidewalk
- 3 Dumpster shall be covered when not in use to prevent debris from blowing onto right-of-way.
- 4 The City right-of-way surrounding the dumpster shall be kept free of debris.
- 5 No degradable materials shall be placed in dumpster
- 6 Dumping materials into the dumpster from higher elevations requires a covered chute to minimize dust.
- 7 Dumpsters shall be provided with reflective red and white tape diagonally striped six inches (6") in width and twenty-four inches (24") in length (as a minimum) to be located at each corner on the top side of dumpster.
- 8 Permittee is required to keep this permit displayed along with other construction permits at all times.
- 9 Permittee assumes all liability and holds harmless the City against all claims, damages, suits, penalties, fines and liability for injury or death to persons or loss or damage to property related to the placement of a dumpster in the City right-of-way.
- 10 A dumpster/trailer permit fee is hereby established and required for refuse dumpsters, office trailers, utility/storage trailers, and other such vehicles or structures placed on public property at construction or service sites, thereby making parking spaces or other public areas unavailable for use.
- 11 The rate for each dumpster/trailer permit shall be three dollars (\$3.00) per equivalent parking space per day, whether such space is metered, unmetered, marked, or unmarked, whether on the street or in a lane (excluding Sundays and holidays).
- 12 The Parking Services Division shall collect permit fees and issue dumpster/trailer permits upon the approval of the City Traffic Engineer. Any contractor or other person placing a refuse dumpster, trailer, or other vehicle or structure on public property shall take out and pay for a dumpster/trailer permit at the Parking Services Division located in the Bryan Street Garage, 100 E. Bryan Street (Abercorn/Bryan) and shall display said permit in clear view on or near the permitted vehicles or structures.
- 13 There shall be a ten dollar (\$10.00) penalty fee added to the cost of any permit issued as a result of City enforcement action. Any person violating this Article shall be subject to subpoena to Recorder's Court and fines resulting therefrom each incident and/or each day shall be deemed a separate violation.
